Symptoms of Melatonin Deficiency:

1. Insomnia & Sleep Problems
2. Mood Disorders
3. Daytime Fatigue
4. Impaired Antioxidant Defense

The formulation of Sanaviva Melatonin Plus contains three components: Melatonin, L-theanine and Vitamin B6:

5 mg of Melatonin:

Natural hormone that is produced by the pineal gland in the brain

1. Improves sleep quality
2. Regulates sleep and wake cycles
3. Reduces the symptoms of jet lag
4. Acts as an antioxidant
5. Boosts immunity

50mg of L-Theanine:

Powerful Amino Acid that is derived from green & black tea

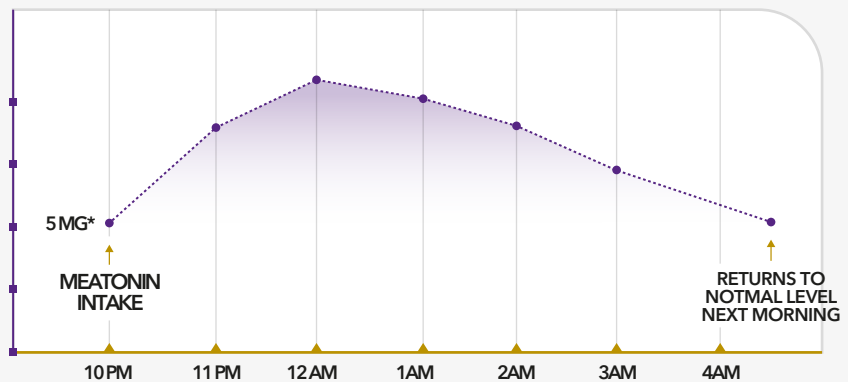

1. Relaxation and stress reduction
2. Improves focus and concentration
3. Enhances mood and well-being
4. Better sleep quality
5. Increases cognitive performance

10 mg of Vitamin B6:

Vitamin B6 is an essential nutrient that plays a key role in promoting various biochemical processes in the body

1. Regulates sleep patterns
2. Enhances serotonin and melatonin production
3. Reduces symptoms of insomnia
4. Improves sleep quality
5. Enhances relaxation and reduces anxiety

5 MG MELATONIN FOR NO NEXT DAY DROWSINESS

How to take Sanaviva Melatonin Plus?

Take one softgel one hour before bedtime.
